Hi Everyone,

Thanks for meeting to discuss AZ permitting issues yesterday. The action items are below. It would be wonderful if you could get write-ups to me by next Thursday, February 4<sup>th</sup>, or sooner. Let me know if you have any questions.

-Arizona NSR updates (summary of approval/disapproval, what we still need to fully approve their program)—**Lisa and Laura**

-Options for obtaining VOC and NOx offsets for sources in Maricopa County and the rest of the state (encouraging sources to shop for offsets, how to set up an offset exchange)—**Gerardo and Manny**

-Title V public noticing issue—**Gerardo**

-Hickman egg farm in Tohopah permitting/enforcement issues—**Eugene**

Thanks!
